PLEASE PLEASE PLEASE don't put the lines through the Hatchet Ranch area!! I bought my ranch to improve my health and I don't want any power lines near me....the view I have has no obstructions which is why I love it so~~ This will impact our health, our property values and the reason we don't live in a city. It will ruin our area! Please don't do this to us....put the 230 KV line over by the railroad tracks....east of our area...I have worked all my life for the opportunity to live in the beautiful clean open air country~~Don't take my life long dream away~~ very sincerely, Julia Rueger and Fredrick Weise, Pinebluff Drive, Hatchet Ranch
